2009 Fall Plant Sale Catalog

After several years of “live” sales, we are once again conducting our annual Fall Plant Sale by catalog. As usual, we are offering a wide variety of pansies and violas, as well as cool season companion plants, herbs, vegetables, and perennials. We suggest using Google or another search engine for photos and additional information about the plants.

Please print and complete the form, then mail pages 2 and 3 with your check to:
