Material for Study

The Central Committee has prepared a mimeographed bulletin con-  
taining a number of outlines, syllabi, and descriptive state-  
ments of courses in philosophy of education gathered from teach-  
ers of this subject in all parts of the country, with an intro-  
duction giving criteria for evaluating work in this field. This  
is now ready for distribution. Price, \$0.50. If you wish a  
copy, write S. G. Brinkley, Emory University, Georgia.

*Dr. Luvit, the large majority favored the earlier date.  
I trust you and Dean Norman can be present.
