PRELIMINARY SUGGESTIONS FOR REQUESTS FOR STUDENT WORKERS

1. Where will the student work?
2. How many hours a week will the student work?
3. What days of the week will the student work?
4. Would the project last the entire semester?
5. Describe as best possible the linguistic level expected of the student on a scale of 1-5 with 5 being the most proficient.
6. Who will supervise the student at the job site?
7. Describe as best a possible the type of work the student will do.
8. Does the work relate more to oral or written Spanish?
9. How far is the work site from the university?
10. Does the student need a background in education (teaching) for this project?
11. Please include any additional information that may help to successfully match students to projects.
12. Do not hesitate to contact me at home or work if there are still questions.
