

**Leyenda**  
**Barbara Godorecci. University of Alabama**

Leía  
Leía el libro  
En el hospital  
Porque estaba allí  
El libro  
Yo  
En el hospital

Il senso della visita chi lo sa?

The guy speaks, listen—  
For love, per amore  
by love  
love standing by love  
Stand by me—I will  
I do  
I shall

By the beats of the heart  
The beats count  
Count the beats  
Before little feet scatter off

Por amor, amor mio  
Let us breathe together  
what we cannot  
breathe apart—
