This permit is only valid with the license plate listed and cannot be connected to a student or faculty/staff.

No permit will be issued to students or faculty/staff of the university and no permit will be issued to a license plate that has already been registered on campus by a student or a faculty/staff.

I have received a copy of and agree to abide by the UA Parking and Traffic Regulations. I understand that I am fully responsible for all parking citations issued to my parking permit regardless of vehicle user or vehicles used. I verify that the information entered on this form is true and correct.
