Transportation Services  
Box 870179  
103 Student Service Center  
Tuscaloosa, AL 35487-0179

## **Faculty/Staff 2011-2012 Parking Permit Registration will open on August 1st.**

Faculty/staff electing to purchase a permit for the 2011-2012 school year will be required to either go online through their MyBama account to purchase a permit or in person at the Transportation Services office in Room 103 of the Student Service Center.

**No permits will be automatically assigned.**

---

Faculty/staff currently in a reserve lot/deck will have first priority to purchase their reserve permit. Other individuals interested in a reserve space must sign up on a waitlist through their MyBama account.

***Faculty/staff*** will have two options of paying for their permit:

1. Pay for their permit in full online with a credit card through their MyBama account or with cash, credit card, check, or money order at the Transportation Services office. (Temporary part time employees must pay for their permit in full at the time of purchase)

2. Payroll deduct a monthly fee, if eligible, based on their month of purchase. Nine month employees will pay a slightly higher monthly fee since their permits will only be deducted over nine months instead of 12 months.
